CIRCA 1985

Catherine is a graduate of the University of Texas at San Antonio – School of Architecture program, with a Bachelor of Science degree in Interior Design. She began her internship with **ARCHILLUME** in the fall of 2007 and is now a Lighting Designer involved in the innovative lighting design of a wide range of projects.

Catherine’s professional goals currently include maintaining her LEED Green Associates and participating in continuing education courses. She also has a strong desire of becoming an NCIDQ licensed Interior Designer in the future.

When not up to her eyes in lighting design, Catherine has a plethora of interests that include graphic and interior design, learning new things, travel, cooking, baking and spending time with family and friends – either of the human, furry or feathered kind.
