

ARCHILLUME  
LIGHTING DESIGN, INC.

**ADAM BUSH, Associate AIA**

Junior Lighting Designer

Adam is a recent graduate of the University of Texas Bachelor of Architecture program. He has interned for ARCHILLUME as a lighting designer since the fall of 2003 where he has participated in the design of a number of ARCHILLUME's high end residential projects as well as cutting edge energy saving and effect lighting designs. In addition to his service to ARCHILLUME, Adam is an AIA Associate member and is actively pursuing his architecture licensure. Beyond design, Adam's passions include playing tennis and road and mountain bike riding. He is also a motorcycle enthusiast and enjoys being outdoors, especially on two wheels.
